FIND NEW ROADS

As the owner of a new 2016 Model Year Chevrolet vehicle, we are pleased to offer you two included Chevrolet Maintenance visits as a part of the suite of Chevrolet Complete Care owner benefits on your new purchase/lease. Chevrolet Complete Care owner benefits also include:

- 5 years/60,000 miles Powertrain Limited Warranty (whichever comes first)
- 3 years/36,000 miles Bumper-to-Bumper Limited Warranty (whichever comes first)
- 5 years/60,000 miles of 24-hour Roadside Assistance (whichever comes first)
- 5 years/60,000 miles of Courtesy Transportation (whichever comes first)
- 6 years/100,000 miles Anti-Corrosion Limited Warranty (whichever comes first)
- 8 years/100,000 miles coverage of battery and electric components for Volt and Spark EV (whichever comes first)
- OnStar® Basic Plan (5 years) and OnStar Guidance Plan (6-month trial) on most Chevrolet vehicles

Notes: Visit onstar.com for vehicle availability, details and system limitations. Services and connectivity vary by model and conditions. OnStar acts as a link to commercial emergency service providers. Not all vehicles may transmit all crash data. Requires active OnStar subscription. OnStar Hands-Free Calling requires an existing OnStar service contract and available minutes. OnStar Guidance Plan 6-month trial excludes Silverado 1500 1WT, Silverado 2500/3500HD WT, Colorado WT, City Express Cargo Van, Express Cargo Van and Express Commercial Cutaway. OnStar Basic Plan is available for 5 years from the date of vehicle delivery of eligible 2016MY and newer vehicles and is transferable, including OnStar Vehicle Diagnostics, Dealer Maintenance Notification and access to limited RemoteLink mobile app features. Basic Plan does not include emergency, security or navigation services. These and other services are available under a paid plan.

SERVICES INCLUDE

Chevrolet Maintenance includes only the following:

- Two service visits covered within 24 months or 24,000 miles of ownership (whichever comes first)
 - > Only ACDelco dexos, Mobil™ 1 dexos, Mobil Delvac oil and oil filters are eligible (Corvette requires Mobil 1 dexos oil and filter)
 - > 4-wheel Tire Rotation (excludes dual rear wheel vehicles, all Corvette models and select Camaro models – ZL1 and Z/28 models – due to their unidirectional tires; see Owner's Manual for details)
 - > Multi-Point Vehicle Inspection (MPVI)

Note: Oil type provided will be in accordance with manufacturer recommendations in the vehicle's Owner's Manual. Cruze Diesel and Duramax® models include an ACDelco Diesel Exhaust Fluid refill at each of the two provided visits. See dealer and Owner's Manual for details.

These maintenance services can only be performed at participating Chevrolet dealerships (if you are traveling and need a service performed, please contact Chevrolet Customer Assistance at 1-800-222-1020 to find the closest participating Chevrolet dealer to your location).

Chevrolet Maintenance covers two scheduled oil and oil filter changes and tire rotations, in accordance with your new vehicle's recommended maintenance schedule and Oil Life Monitoring system. The two Chevrolet Maintenance visits are covered, provided they occur within the first 24 months or 24,000 miles of ownership (whichever comes first). Does not include air filters. Only ACDelco, Mobil 1 and Mobil Delvac oil and oil filters, plus ACDelco Diesel Exhaust Fluid, are eligible. See a participating dealer for other restrictions and complete details.

Chevrolet Maintenance is not to be combined with any other GM service offers, and vehicles are only eligible for service in the U.S. and only at participating Chevrolet dealers.

I understand the coverage and limitations of Chevrolet Maintenance outlined above.

Regardless of reason, if the vehicle ordered by the purchaser is not available for delivery within 15 calendar days after the anticipated delivery date, the purchaser may cancel this order and shall, within one business day, receive a full refund of any down payment, and return of trade-in vehicle, or title for trade-in vehicle, or both. If the trade-in is not available, the purchaser shall receive the trade-in allowance. Unless delivery date is otherwise qualified on the purchase contract by the purchaser, if the ordered vehicle becomes available for delivery prior to the stated anticipated delivery date, the dealer licensee may require acceptance not less than 21 calendar days after having notified the purchaser of availability of delivery, in which case no penalty shall be assessed for nonacceptance of delivery prior to the stated anticipated delivery date.

A service fee is not required by law, but may be charged to motor vehicle purchasers or lessees for services related to compliance with state and federal laws, verifications and public safety, and must be reasonable.

This is a Finance Transaction. (Check A. or B.):

THE ORDERED VEHICLE MUST BE LOCATED
If the motor vehicle dealer and purchaser enter into a purchase contract for a new motor vehicle not available at the dealer's lot, the dealer and purchaser agree that the vehicle mileage upon delivery will not exceed N/A miles.
